Re: Contract No. SOL-R7-13-00017, Big River Mine Tailings Site

Dear Ms. Noel:

I represent Sealand Enviro, LLC ("Sealand"). On behalf of Sealand, pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. §552, and 40 C.F.R. Part 2, I write to request the following records from EPA:

All documents regarding EPA's decision to award Prudent Technologies' bid and reject Sealand's bid for Contract No. SOL-R7-13-00017 (the "Contract") for the Big River Mine Tailings Site (the "Project"), including but not limited to, all communications, including emails, between EPA and Prudent Technologies, the company to which EPA awarded the Contract, regarding the Project and the Contract, in addition to the Source Selection Decision document and all documents regarding the executed bonds required to be furnished by Prudent Technologies, including all emails, between EPA and Prudent Technologies, related to the executed bonds and to any extensions of time requested or provided for furnishing the executed bonds.

Please provide these documents in an electronic format if possible to reduce costs and notify me pursuant to 40 C.F.R. §2.107(e) if the estimated fees to produce the requested documents will exceed \$25.00. I look forward to your response to this request within twenty (20) workdays of receipt in accordance with 5 U.S.C. § 552(a)(6) and 40 C.F.R. § 2.104(a). To the extent that EPA excludes records from its response, please identify each record (title, date, author, recipient) and the legal ground(s) for exclusion.

Sincerely,

Rebecca A. Diamond
